The 10th Annual Meeting of the West Virginia Chapter of the American College of Cardiology

The Charleston Marriott Town Center
Charleston, West Virginia

Saturday, May 16, 2015

Program Directors
George J. Linsenmeyer, MD, FACC
and
Paulette S. Wehner, MD, FACC

Jointly Provided by
CAMC Health Education & Research Institute and the West Virginia Chapter of the American College of Cardiology
West Virginia Chapter-ACC 10th Annual Meeting

May 16, 2015  |  The Charleston Marriott Town Center

7:00-7:45 a.m.  Registration, Posters and Exhibits

7:45-8:50 a.m.  Satellite Breakfast Symposium
The Potential Role of Anti-PCSK9 Monoclonal Antibodies
in the Management of Hypercholesterolemia
Evan A. Stein, MD, PhD

8:50-9:00 a.m.  Welcome & Meeting Introductions
George J. Linsenmeyer, MD, FACC

9:00-9:45 a.m.  Navigating the New Health Care Horizon: Report from the ACC
Mary Norine Walsh, MD, FACC

9:45-10:30 a.m.  Surgery for Valve Repair
Chris C. Cook, MD, FACS

10:30-11:15 a.m.  Break, Posters, Exhibits

11:15 a.m.-12:15 p.m.  The Evolution of Acute Heart Failure Treatment:
A Review of Current Guidelines and Evidence with Emerging Therapies
W.H. Wilson Tang, MD, FACC

12:15-1:00 p.m.  Lunch and Exhibits

1:00-3:00 p.m.  Interactive Cardiovascular Disease Update
An in-depth, interactive, fast-paced session to cover general cardiology, electrophysiology and interventional cardiology. The session will save you hours of preparation time and provide you with the opportunity to earn 10 MOC points. Even if you do not need MOC points, this interactive session will be a valuable review.
Esam Baryun, MD, Wissam Gharib, MD, FACC and N. Andrew Vaughan, MD, FACC

3:00 p.m.  Announcement of Poster Winners
Program Directors

George J. Linsenmeyer, III, MD, FACC  
HIMG  
Huntington, WV

Paulette S. Wehner, MD, FACC  
Marshall University School of Medicine  
Huntington, WV

Program Committee

Wissam Gharib, MD, FACC  
West Virginia University  
Morgantown, WV

David L. Namay, MD, FACC  
David L. Namay, MD  
Charleston, WV
Esam Baryun, MD  
St. Mary's Medical Center  
Huntington, WV

Chris C. Cook, MD, FACS  
UPMC  
Pittsburgh, PA

Wissam Gharib, MD, FACC

Morgantown, WV

Evan A. Stein, MD, PhD  
Metabolic & Atherosclerosis Research Center  
Chicago, IL

W.H. Wilson Tang, MD, FACC  
Cleveland Clinic Foundation  
Cleveland, OH

N. Andrew Vaughan, MD, MBA, FACC  
Huntington VA Medical Center  
Huntington, WV

Mary Norine Walsh, MD, FACC  
St. Vincent Heart Center of Indiana  
Indianapolis, IN
Visit www.accwv.org for submission details.

Who Can Participate

1. Fellows-in-Training
   All current West Virginia fellows in a cardiology training program are invited to present their research (past or present) during the poster session at the meeting. Eligible posters may present recent data, case study* or information that has been presented previously at a local or national meeting. The accepted abstracts will be presented as posters and judged at the poster presentation during the meeting. There are cash prizes for winners!

2. Internal Medicine Residents
   All current West Virginia internal medicine residents are invited to present a cardiovascular case report during the poster session at the meeting.

3. CV Team Members (Associate of the ACC, Cardiac Care Associate, or Partners in Care Member)

*If you submit a case study:

1. Case reports should be of a rare, unusual, or unexpected finding in a patient;

2. The diagnosis should be known or the workup as complete as possible (all evidence as to the diagnosis should be included);

3. There should be a brief review of the literature including numbers of patients with similar findings/outcomes, risk factors, how it has been evaluated/treated, and outcomes where known;

4. The case should include as much follow-up as is available;

5. Pathology slides and supporting evidence should be included.
Statement of Need

Cardiovascular (CV) disease is the leading health care problem throughout the world. In the United States alone, an estimated 70 million people have been diagnosed with one or more forms of CV disease, and over 910,000 Americans die from CV disease each year. The cardiac care team is increasingly asked to develop systems of care, the methods for which are not necessarily part of the traditional medical training. We are asked to do this better, faster, more efficiently and at a lower cost.

Overall Goal

Physicians and Cardiovascular Team Members are required to maintain up-to-date knowledge of the latest clinical developments in the practice of cardiology to improve patient outcomes. The goal of this program is to improve the competency of the health care team in the practice of cardiology and to facilitate the transfer of knowledge into practice.

Learner Objectives

• Review the importance of the cardiovascular quality indicators and appropriate use criteria as it pertains to the health care provider’s practice and recognize the impact of Health Care Reform legislation on the practice of cardiology.
• Explore the relationship between low-density lipoprotein cholesterol levels and cardiovascular risk, emphasizing the need to utilize the appropriate treatment intensity of statin therapy based on cardiovascular risk assessment.
• Discuss the available surgical therapies for aortic valve disease and appropriately refer patients for these treatments.
• Discuss the importance of early diagnosis and intervention to reduce end-organ damage on long-term outcomes in patients with AHF.
• Apply the case scenarios from the cardiovascular disease review questions to clinical practice.

Target Audience

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Internal Medicine Physicians, Family Physicians, Private Practice Physicians, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists
Disclosure & COI Policy Statement

Committee members, faculty, staff and other individuals who are in a position to control the content of this activity are required to disclose all real or apparent conflicts of interest. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, patient care and safety recommendations. Full disclosure will be published in the syllabus.

Accreditation

This activity has been planned and implemented in accordance with the essentials and standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of CAMC Health Education and Research Institute and the West Virginia Chapter of the American College of Cardiology. The CAMC Health Education and Research Institute is accredited by the ACCME to provide continuing medical education for physicians.

Physicians
CAMC Health Education and Research Institute designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses
CAMC Health Education and Research Institute is an approved provider of continuing education by the West Virginia Nurses Association (AO-212), an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. This offering has been approved for 3.5 contact hours. (P015-14-14796) Expiration date 12/31/2017.

Accreditation information for the one-hour talk entitled The Evolution of Acute Heart Failure Treatment: A Review of Current Guidelines and Evidence with Emerging Therapies
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Cincinnati and Horizon CME. The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Cincinnati designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™.
Accreditation information for the one-hour talk entitled The Potential Role of Anti-PCSK9 Monoclonal Antibodies in the Management of Hypercholesterolemia

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Global Education Group (Global) and MRCME, LLC. Global is accredited by the ACCME to provide continuing medical education for physicians.

*This CME/CE activity complies with all requirements of the federal Physician Payment Sunshine Act. If a reportable event is associated with this activity, the accredited provider managing the program will provide the appropriate physician data to the Open Payments database.

Physician Credit Designation
Global Education Group designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Continuing Education
Global Education Group is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's COA. This educational activity for 1 contact hour is provided by Global Education Group. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Global Contact Information
For information about the accreditation of this program, please contact Global at 303-395-1782 or inquire@ globaleducationgroup.com.

Instructions to Receive Credit
In order to receive credit for this activity, the participant must complete the post-test and evaluation form at the conclusion of the meeting.
Acknowledgment
At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.

Registration
You may register online at www.accwv.org.

- West Virginia-ACC Physician Member - $60
- Cardiovascular Team Members (RN, APN, Pharmacist, PA) - $25
- Practice Manager - $25
- Non-Member Physician - $75
- Fellows and Residents - FREE with pre-registration

Cancellations
Cancellation requests must be received by May 8, 2015. No refunds will be made after that date.

Meeting Location
The Charleston Marriott Town Center
200 Lee Street East
Charleston, WV 25301
(304) 345-6500

Accommodations
Call the hotel at 304-345-6500 by May 1, 2015 to receive the special WV-ACC rate of $119 + tax.

Questions?
Call 304-837-2223 or wvchapteracc@gmail.com.
